

Quality Control Inspection Report

Report Date	15 April 2026 — 10:40
Inspector	Automated QC System + Gemini AI
CV Verdict	PASS
AI Verdict	CHECK

**1. Identity & Personalisation** PASS

Name on Product	Shaye Faaoga
Name Match	Match
Number on Product	21
Number Match	Match

*The name and age number are correctly rendered and match the draft design.*

**2. Text & Typography Quality** PASS

Legibility	clear
Font Match	yes
Text Complete	yes

*All text, including the birthday message and scripture, is legible and matches the draft.*

**3. Design Element Completeness** WARNING

Circle	yes
Number	yes
Stand	yes
Base Plate	yes
Logo	yes
Photo Area	yes
Missing from Product	None

**Extra on Product** An additional badge/emblem was added to the left side of the base which was not present in the draft.

The product includes an extra badge on the left side of the base that was not in the original design. All other required elements are present and correctly positioned.

#### 4. Colour & Theme Fidelity

**WARNING**

Overall Match	good
Stand Colour Match	<b>MISMATCH</b>
Base Colour Match	<b>Match</b>
Component Differences	Stand: white in draft, black on product.
Issues Found	The vertical support stands are black on the physical product, whereas they were white in the draft design.

■ **Colour differences detected: Stand: white in draft, black on product.**

The colour of the support stands differs from the draft. While the base and main design elements match, the stand colour is a noticeable deviation.

#### 5. Physical & Structural Quality

**PASS**

Stand Straight	yes
Base Level	yes
Visible Defects	None
Photo Quality OK	yes

The physical construction appears sturdy and well-assembled with no visible defects.

#### 6. Algorithmic CV Check Scores

**PASS**

Check	Result	Score	Status
Overall Accuracy	89%	0.893	<b>PASS</b>
Colour Translation	Match	0.855	<b>PASS</b>
Pattern & Detail Fidelity	Match	0.946	<b>PASS</b>
Photo Placement	Shifted	0.384	<b>WARNING</b>
Stand & Base Execution	Match	0.602	<b>PASS</b>
Typography Quality	Match	0.662	<b>PASS</b>

#### Overall Verdict

**PASS**

#### Inspector Summary

The product accurately reflects the requested name and age. However, there are two discrepancies: the support stands are black instead of white, and an extra badge was added to the base that was not in the draft. Despite these deviations, the overall quality is high. Recommend approval with a note to the production team regarding design adherence.
