

WoodenWares

The world's BEST & most ADVANCED Birthday keys

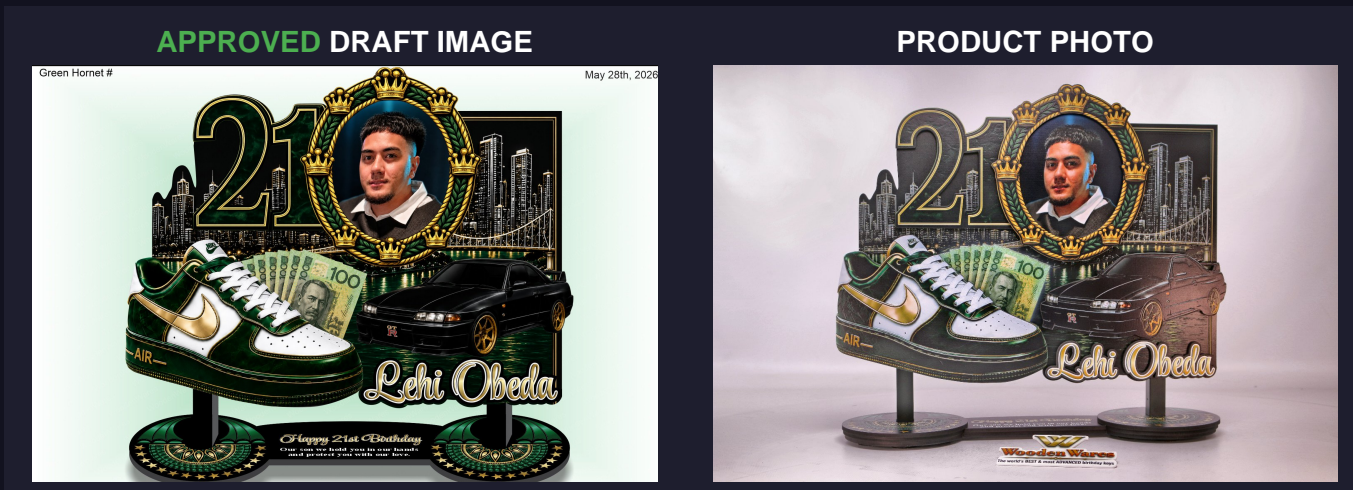

AI Verified Quality Report

Independently checked using advanced AI vision technology to verify production accuracy before delivery.

Job / Order ID	FA1196 - 40
Report Date	29 May 2026 — 14:33
Inspector	WoodenWares AI Vision System + Advanced Machine Learning Validation - Gemini AI
CV Verdict	PASS
AI Verdict	PASS

AI Verified **99% Precision Match to Approved Draft**

Your Birthday Key has passed WoodenWares' AI Verified Quality Check, confirming the name, age, colours, photo placement, design details, and overall finish match the approved draft.

1. Identity & Personalisation **PASS**

- Name Match **Match**
- Key Number Match **Match**
- Stand Number Match **Match**

The name 'Lehi Obeda' and the age '21' are correctly represented on both the key cutout and the base plate.

2. Text & Typography Quality **PASS**

- Font **Match**
- Text **Match**

All text elements are legible and match the design draft.

3. Design Element Completeness **PASS**

- Circle / Left Side **Match**

Number	Match
Stand	Match
Stand Centre	Match
Photo Area	Match
Missing from Product	None
Extra on Product	None

The base corners in both the draft and the product contain decorative circular patterns; no elements are missing or extra. The design is consistent with the provided draft.

4. Colour & Theme Fidelity

PASS

Overall Match	Excellent
Stand Posts Colour Match	Match
Stand Colour Match	Match
Component Differences	None
Issues Found	None

The colour palette, including the green and gold accents, matches the draft perfectly.

5. Physical & Structural Quality

PASS

Visible Defects	None
Material Defects	None
Strength Test	Passed
Photo Placement	Match

The physical construction appears stable and well-assembled.

6. Algorithmic CV Check Scores

WARNING

AI-driven analysis measuring how precisely the finished key matches the approved design across all critical elements.

Check	Result	Status
AI Precision Match	99%	PASS
Colour Translation	Close	WARNING
Pattern & Detail	High Fidelity Match	PASS
Photo Placement	Precisely Positioned	PASS
Stand & Base	Structurally Accurate	PASS
Typography	Crisp & Correct	PASS

Overall Verdict

PASS

Inspector Summary

The product is an excellent match to the design draft. All personalised text, numbers, and decorative elements are present and accurate. The colour scheme is consistent, and the physical build quality is high. Recommendation: Pass.

"No other Birthday Key creator in the world offers AI-verified production accuracy."
