

# WoodenWares

The world's BEST & most ADVANCED Birthday keys

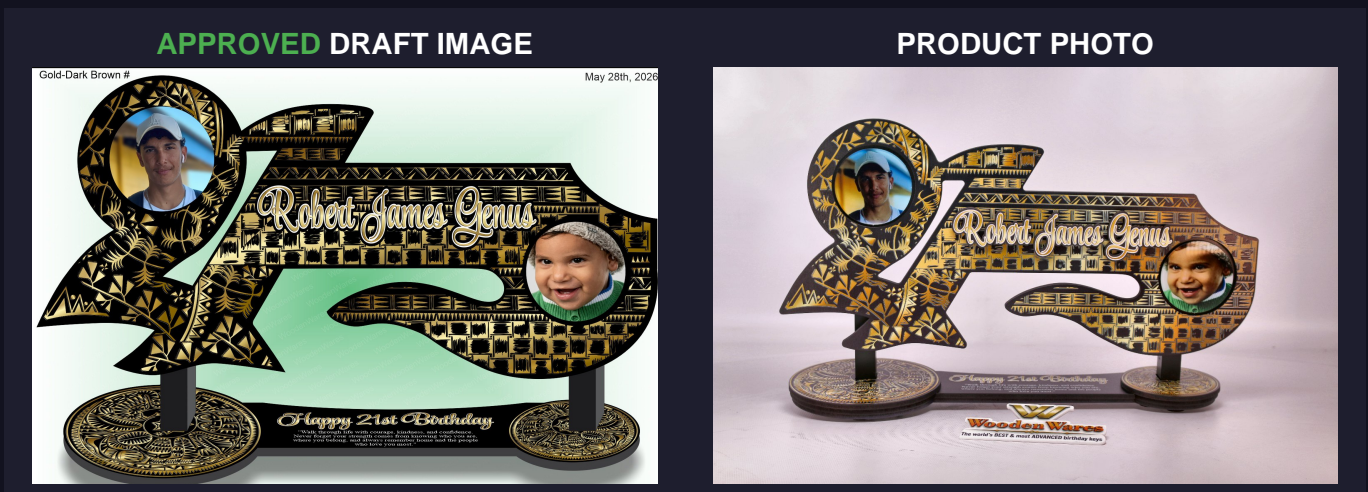

## AI Verified Quality Report

Independently checked using advanced AI vision technology to verify production accuracy before delivery.

Job / Order ID	FA1206 - 40
Report Date	29 May 2026 — 14:51
Inspector	WoodenWares AI Vision System + Advanced Machine Learning Validation - Gemini AI
CV Verdict	PASS
AI Verdict	PASS

**AI Verified**      **94% Precision Match to Approved Draft**

Your Birthday Key has passed WoodenWares' AI Verified Quality Check, confirming the name, age, colours, photo placement, design details, and overall finish match the approved draft.

### 1. Identity & Personalisation

PASS

Name Match	Match
Key Number Match	Match
Stand Number Match	Match

The name and key number on the product match the draft perfectly.

### 2. Text & Typography Quality

PASS

Font	Match
Text	Match

All text is legible and matches the design draft.

### 3. Design Element Completeness

PASS

Circle / Left Side	Match
--------------------	-------

Number	Match
Stand	Match
Stand Centre	Match
Photo Area	Match
Missing from Product	None
Extra on Product	None

The base corners in both the draft and product are decorated with matching circular patterns; no badges or emblems are present in either. All design elements are accounted for and correctly positioned.

#### 4. Colour & Theme Fidelity

PASS

Overall Match	Excellent
Stand Posts Colour Match	Match
Stand Colour Match	Match
Component Differences	None
Issues Found	None

The colour scheme of the product matches the draft design accurately.

#### 5. Physical & Structural Quality

PASS

Visible Defects	None
Material Defects	None
Strength Test	Passed
Photo Placement	Match

The product appears to be structurally sound and well-manufactured.

#### 6. Algorithmic CV Check Scores

PASS

AI-driven analysis measuring how precisely the finished key matches the approved design across all critical elements.

Check	Result	Status
AI Precision Match	94%	PASS
Colour Translation	Perfectly Matched	PASS
Pattern & Detail	High Fidelity Match	PASS
Photo Placement	Precisely Positioned	PASS
Stand & Base	Structurally Accurate	PASS
Typography	Crisp & Correct	PASS

## Overall Verdict

**PASS**

### Inspector Summary

The manufactured product is an excellent match to the design draft. The name, age number, and decorative elements are all correctly applied. No defects or discrepancies were identified during the inspection.

*"No other Birthday Key creator in the world offers AI-verified production accuracy."*
